(UNIVERSITY OF NEW JERSEY STUDENT INSTRUCTIONAL RATING FORM)
20. What do you like best about this course?

The best part of this course was Prof. Vrbkodra’s willingness to help both during and in addition to class time.

21. If you were teaching this course, what would you do differently?

22. In what ways, if any, has this course or the instructor encouraged your intellectual growth and progress?

With many of the concepts we studied, Prof. Vrbkodra explained them in such detail that we could completely understand not only the concept itself but its causes and implications. This wound up being very helpful in other classes such as Elementary Differential Equations.

23. Other comments or suggestions.

Thank you for participating in the course and instructor rating process.
