The Math Resource Center (Korman245) is open for help this week (and every week) on Monday-Thursday from12-6 and Friday from12-4. No appointment is necessary.

No calculators are permitted on this exam.

Friday, May 12 is the last day that you can withdraw from a class. If you are considering withdrawing from MATH 102 and wish to receive your grade promptly so that you can make a decision, please e-mail your recitation instructor. We will make a list of all students who have notified us as of 9:30 AM Friday morning and will grade those papers promptly. You will be e-mailed back with your grade (start checking your e-mail around noon) and can make a decision. If you can’t find Professor Perlstadt or your recitation instructor to sign your drop slip, go to the math office on the second floor of Korman. If no one is there (there’s a faculty meeting Friday afternoon so it’s possible), see your advisor. Someone will get you out on Friday. DON’T WAIT UNTIL MONDAY.
